

Thank you for choosing Tidal River Christian Camp

Tidal River Christian Camp is a non-profit summer camp. For 44 years TRCC has been teaching about our Lord and Savior, Jesus Christ. Many congregations from New England (Rhode Island, Connecticut, Massachusetts, New York, and many more) have been working together to make this ministry possible.

TRCC usually starts in the first week of July and goes for four (4) weeks. The first two weeks are "Junior Weeks" for Children ages 8-12 and the last two weeks are "Senior Weeks" for children ages 13-18.

It is always a memorable experience!

TIDAL RIVER CHRISTIAN CAMP SUGGESTIONS FOR CAMPER DISCIPLINARY PROCEDURES

The Board of Directors recognizes that during the day-to-day operations of the camp some campers may cause a disruption in the camp environment. In order to ensure a camp environment that is safe and ensures that each camper has the best camping season possible the Board has suggested the following disciplinary options.

First Offense: Verbal Warning

Second Offense: Temporary loss of privileges (i.e.: 10 minutes off swimming; loss of one canteen item; additional chores or clean-up details)

Third Offense: Extension to loss of privileges

Continuous behavior causing the need for continued discipline should be referred to the Camp Director and may result in that camper being sent home from camp.

Insubordination or failure to abide by the major aspects of the camp's discipline policy should be referred to the Camp Director for appropriate disciplinary action.

Note:

No disciplinary options should take away from another scheduled camp activity unless the staff member supervising that time period is consulted.

At no time should any camper be exposed to any type of discipline that would result in physical contact between the camper and another individual.

Adopted:02-02-2002

T.R.C.C. Bullying / Safe Climate Policy

It is the policy of the TRCC Board of Directors that any form of bullying behavior is expressly forbidden.

The Board also prohibits any form of bullying behavior in between camping sessions if such bullying:

- creates a hostile environment at camp for the camper against whom such bullying was directed;
- infringes on the rights of the camper against whom such bullying was directed at;
- substantially disrupts the orderly operation of camp.

Discrimination and/or retaliation against an individual who reports or assists in the investigation of an act of bullying is likewise prohibited.

For purposes of this policy, "bullying" shall mean the repeated use by one or more campers of a written, verbal or electronic communication, such as cyberbullying, directed at or referring to another camper, or a physical act or gesture by one or more campers repeatedly directed at another camper, that:

- causes physical or emotional harm to such camper or damage to such camper's property;
- places such camper in reasonable fear of harm to himself or herself, or of damage to his or her property;
- creates a hostile environment at camp for such camper;
- infringes on the rights of such camper;
- substantially disrupts the orderly operation of camp.

Bullying shall include, but not be limited to, a written, verbal or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristics, such as race, color, religion, ancestry, national origin, gender, socioeconomic status, academic status, physical appearance, or mental, physical, developmental or sensory disability, or by association with an individual or group who has or is perceived to have one or more of such characteristics.

For purposes of this policy, "Cyberbullying" means any act of bullying through the use of the Internet, interactive and digital technologies, cellular mobile telephone or other mobile electronic devices or any electronic communications.

Campers who engage in bullying behavior shall be subject to camp discipline up to and including removal in accordance with the Board's policies on camper discipline

The Board also implements the following Safe Climate Plan for use during the Camping Season:

- Campers will be enabled to anonymously report acts of bullying to Counselors, Directors, or any other Camp Personnel,
- Parents or guardians of campers may file written reports of suspected bullying,
- Camp Staff who witness acts of bullying or receive reports of bullying will orally notify the Camp Director or his designee and will file a written report no later than one camp day after making such oral report,
- The Camp Director or designee will investigate or supervise the investigation of all reports of bullying and ensure that such investigation is completed promptly pending receipt of any written reports made under this section;
- The Camp Director or designee will review any anonymous reports (provided that no disciplinary action shall be taken solely on the basis of an anonymous report),
- The Camp Director or designee will notify the parents or guardians of students who commit any verified acts of bullying and the parents or guardians of students against whom such acts were directed no later than 24 hours after completion of the investigation.
- The Camp staff will prohibit discrimination or retaliation against an individual who reports or assists in the investigation of an act of bullying;
- The Camp Director will direct the development of camper safety support plans for campers against whom an act of bullying was directed that address safety measures the camp will take to protect such campers against further acts of bullying;
- The Camp Director will, after consulting with the parents of both parties and the President or Vice President of the Board of Directors, notify the appropriate local law enforcement agency when such Director believes that any acts of bullying constitute criminal conduct;
- The Camp Director will submit a written report to the Board of Directors regarding any and all acts of Bullying for discussion in Executive Session at the First Regular Board Meeting following the camping season.

ATTENTION PARENTS:

In order to provide the safest and securest environment that we can as well as to maintain the camp program that has been planned we request that Camper Visitations during the camp week do not occur. We do realize that in some emergency situations it may be necessary for you to visit the camp or get a message to your child so the Board of Directors has adopted a Visitors Policy that we ask you to abide by.

It is the policy of the Board of Directors of Tidal River Christian Camp that ALL PERSONS intending to visit the camp MUST CALL AND RECEIVE PERMISSION from the Acting Director before leaving to come to camp. Upon arrival, ALL VISITORS must report to the Nurses Cabin and SIGN IN the visitor's logbook. Please note that this policy only exists for emergency situations; we ask that you make every effort possible to not visit your child or the camp while the camping weeks are in session.

Please take a look at our procedures for Pickup and Drop-off.

Pickup & Delivery Procedures

Delivery:

The Delivery of your children at 3:30 PM Sunday is possibly the most trying on the counselors and camping staff. Please be advised that the Camping staff has no idea as to who is a camper and who is not. Each parent/guardian ought to keep their children with them until they have registered and have taken their children to their counselor and have meet him/her.

During the registration process each parent/guardian will be asked to fill out a sign out form for those that can sign out their child through out the week.

This is done to provide the safest environment possible for your children.

Pickup:

Pickup of your children is on **Saturday** between 9AM and 10AM.

Parents may be asked to show proper ID at the gate leaving camp grounds and MUST be on the approved list that was signed during registration.

Miscellaneous:

Many shirts and pants and shoes and "things" get left behind at the end of camp. There is a lost and found which no one seems to visit or parents have no idea what their children own. There are bags full of these things at the end of the camping season. Please don't let these clothes go to waste.
